

Problem Gambling treatment providers contracted with State Problem Gambling Program

Effective May 1, 2025

Eligibility criteria for individuals and family members seeking help for problem gambling/Gambling Disorder:

- Have no insurance coverage for problem gambling services or insurance won't cover
- Problem gambling assessment has confirmed need for treatment services (no assessment for family)
- Amenable to treatment (actively seeking help and wanting to engage in treatment)
- Not Medicaid-eligible or enrolled (please see info below)

No-cost problem gambling assessment and treatment services can be accessed by contacting the behavioral health agencies/sole providers listed below. **To contact the Problem Gambling Helpline in WA State, call or text 1-800-547-6133, or visit www.evergreencpg.org to contact the Problem Gambling Helpline via chat.**

Important: Please be advised that the WA State Problem Gambling Program will only reimburse agencies or individual clinicians who are listed here, and only up to the funding level available per the contract.

MEDICAID-ENROLLED: As of Jan 2024, Medicaid covers problem gambling assessment and treatment in WA State. Please contact your managed care organization for more information about how to access problem gambling services. In addition, several behavioral health agencies on this list accept Medicaid clients and are set up to bill for problem gambling treatment services—see '**accepts Medicaid**' in the list below

If you seek assessment and/or treatment services with a DOH-certified problem gambling agency or Certified Gambling Counselor not listed here, you will be responsible to determine how payment for services will be made. The Evergreen Council now has [an interactive counselor directory](#) that lists all the Certified Gambling Counselors in WA State, and also offers some treatment reimbursement with their contracted providers: 360-352-6133. Note: The Evergreen Council on Problem Gambling is not a state agency.

IF THERE IS NO PROVIDER AVAILABLE IN YOUR IMMEDIATE AREA, HELP IS STILL AVAILABLE THROUGH TELEHEALTH. PLEASE CHECK WITH EACH INDIVIDUAL PROVIDER ABOUT THEIR OWN POLICY. (WA STATE ALLOWS BEHAVIORAL HEALTH TELEMEDICINE APPTS ANYWHERE WITHIN WA STATE)
Note: Some clinicians only provide telehealth services.

Approved Problem Gambling Counselor Certifications:

WSCGC I or II = WA State Certified Gambling Counselor, Level I or II

ICGC I or II = International Certified Gambling Counselor, Level I or II/BACC

WSGCG-in-training = Currently working towards Certified Gambling Counselor certification and supervised by a Problem Gambling Clinical Supervisor
